Climate Justice Ambassador

The Plant-for-the-Planet Children´s Initiative supports the Billion-Tree-Campaign of the United Nations Environment Programme (UNEP). We want to plant a million trees in each country of the world. Each single tree is a symbol for climate justice. Just as world climate is boundless we want to be acting across borders with Plant-for-the-Planet and expand the Children´s Initiative to become a worldwide network. And we are not only planting trees, but participate actively in the formation of our future and the adults are listening to us.
You are now a part of that!

As a Climate Justice Ambassador, you aim to give a speech once a month in order to empower more children and adults to join our fight against the climate crisis.

Dear Deyam,

Your article published in the CMS Annual Magazine 1996-97 was read by me with great interest. In this, you have shown a flair for Creative Writing. Your ideas are imaginative and original. I congratulate you on your earnest attempt and further encourage you to keep writing articles for journals and magazines.

As you are aware, the CMS Editorial Deptt. keeps organising Creative Writing Contests in which you must participate. This will sharpen your skills and give you more confidence. In the summer holidays you can practise writing articles on several thought provoking subjects. Show them to your English Teacher when you return. The CMS Editorial Deptt. is always ready to advise and guide you.

May God bless you.
